### SALINA HOUSING AUTHORITY February 2020

## TINA R. BARTLETT, MBA, CS-PHM EXECUTIVE DIRECTOR

#### Financial:

The Salina Housing Authority received \$33,025 in Operating Subsidy in February for Public Housing. We received \$128,395 for February HAP funding for the Section 8 programs, which includes \$24,577 restricted for Mainstream vouchers. We have approximately \$50,600 remaining Net Restricted Assets for Section 8 vouchers and an additional \$46,000 in unspent Mainstream funding.

The monthly administrative fee funding for Section 8 was \$15,339 for February. As discussed and approved in the budget, we will continue to assess full management fees to the Section 8 program but loan funds back to the Section 8 program to cover variances. The total amount of the loan as of January 31 is \$7,000.

The 2018 ROSS/FSS grant expired December 31, 2019. \$28,690 was unexpended due to staff turnover during the grant year. SHA was awarded \$50,000 for the 2019 ROSS/FSS grant. Grant award was signed 2/18/20. Public Housing covered FSS Coordinator expenses until funds are released.

COCC loaned Salina Housing Services (SHS) an additional \$5,000 in February to temporarily cover cash outflows associated with the management of Pioneer Presidents' Place. This loan will be reimbursed when management and maintenance fees are received from Topeka Housing Management Services.

HUD released FY 2020 Capital Fund awards on 2/18/20. The SHA was awarded \$301,535 for FY2020. This is an increase of \$9,088 over FY2019. The president has proposed eliminating the Capital Fund in previous budgets, but Congress has decided to fund the program at increased funding levels for the past three years.

#### **Program Updates:**

The SHA submitted application for the Tenant Based Rental Assistance (TBRA) program administered by the Kansas Housing Resource Corporation (KHRC). The application deadline was June 28, 2019. The funding is used to operate our Security Deposit Assistance program. We have been awarded \$75,000 again. We have received approximately \$75,000 each year since 2017.

The SHA submitted application to the Continuum of Care for the Shelter Plus Care program that we administer. The program addresses individuals who have a disability and are chronically homeless. With the assistance of case management, we house approximately 25 families currently. The SHA is applying for a new program instead of renewing the current in hopes of raising the administrative fee and serving more tenants.

#### **HUD Regulation/Legislative**

On February 10, 2020, the Trump administration officially released the President's budget request for FY 2021. The proposal once again outlines the administration's vision of devastating funding cuts to most HUD programs, including steep cuts and eliminations to housing and community development programs. Overall the proposed budget would slash HUD funding by \$8.6 billion, a cut of 15.2 percent from enacted fiscal year 2020 levels. However, the budget is not in effect; it only lays out a blueprint that Congress may choose to follow.

#### Management

The Government filed its brief on January 31 to appeal the decision by the Claims Court awarding damages in the aggregate amount of \$132,656,951 for the Operating Fund litigation. Our attorney has requested and received a four-week extension to file brief. Therefore, the deadline for filing our brief is April 8. The Government then has 21 days to file a reply brief by April 29. By the time the remaining briefs are filed, arguments heard, and a decision made it will probably be late this year. However, it is very possible that we won't receive a decision until early next year.

Once every three years the SHA requests proposals for Auditors. The RFP was sent our January 7, 2020. Proposals were due on February 4, 2020. We have sent out all received proposals to the Board for review.

We are working on updating the five-year plan for FY 21 - FY 25. The plan should be posted by the end of February to meet the required HUD deadlines and will be submitted to the Board for approval after the comment period.

The Finance Manager position has been advertised since February 6. We are in the process interviewing potential applicants.

Pioneer Presidents Place – Management and maintenance have worked with Topeka Housing Management Services to resolve outstanding maintenance issues, updating LIHTC files, assessing tenant outstanding charges, and undergo a HUD REAC inspection and resulting findings

#### Training/Education

The Executive Director will be attending Conquering Low-Income Housing Tax credit compliance February 25-27 in Topeka, KS. This training covers LIHTC laws and regulations.

### SALINA HOUSING AUTHORITY BOARD OF COMMISSIONERS MEMO

February 12, 2020

From:

Tina Bartlett, Executive Director

Meeting:

February 24, 2020

Subject:

Request for Proposal for Audit Services

#### **BACKGROUND**

The Salina Housing Authority is required by the Department of Housing and Urban Development (HUD) to have an Independent Audit performed at fiscal year-end each year. The Salina Housing Authority's fiscal year-end is June 30<sup>th</sup>. An independent audit of the SHA operations occurs yearly. The auditor utilizes governmental auditing standards, which includes financial information, internal control of assets, operations and compliance with all Federal, State and Local government laws and regulations. The final audit report is sent to HUD, the Housing Authority Commissioners, the City of Salina, as well as other third parties as requested of the Authority. The Independent Auditor must be licensed in the State of Kansas. The independent auditor is expected to follow all federal, state and local laws and regulations during the audit period. The SHA may procure an audit proposal for a three-year period. The Housing Authority Commissioners are tasked with the selection of the auditor and the Executive Director with oversee the procurement of the approved auditor.

According to the Procurement Policy, any routine maintenance, non-routine maintenance, construction, demolition, equipment, materials, supplies and professional services (including maintenance, security, architect/engineer, legal, accounting and management) not exceeding \$100,000 may be made in accordance with the small purchase procedures. For small purchases in excess of \$10,000 but not exceeding \$150,000, no less than three price quotations shall be obtained where practicable. The SHA issued a Request for Proposal (RFP) for a new audit contract for fiscal year 2020-2022 on January 7, 2020. The proposal due date was February 4, 2020. The RFP was sent to 20 auditors with experience with auditing housing authorities. The Salina Housing Authority received four proposals in the manner specified. The four proposals were emailed to the Board of Commissioners for review. They will meet on February 24, 2020 at 4:30 pm at the Salina Housing Authority to review the proposals.
