Be Back Soon

Even though it seems like the snow just stopped, the mowing season will be here before we know it. According to the Salina Housing Authority mowing procedure, you are responsible to mow your yard and always keep grass less than 6" tall. You are also responsible for making sure the weed eating is done around your home. If your yard is not kept to this standards, a notice will be posted with a date and time the issue must be corrected by. If the issue has not been corrected by the stated date and time, you will be billed **\$40.00 for the mowing and/or weed eating to be done.**
