The Salina Housing Authority is dedicated to providing and advocating affordable, safe living environments and opportunities to become self-sufficient for persons of very low to moderate income.

The Low Income Energy Assistance Program (LIEAP) is a Federally funded program that helps eligible households pay a portion of their home energy costs by providing a one-time per year benefit. LIEAP is now accepting applications for assistance. The 2019 LIEAP application period is from Tuesday, January 22, 2019, through Friday, March 29, 2019. Applications must be received prior to 5:00 PM, March 29, 2019.

If you have questions about your **HOME** while completing your application, please call Suzanne at 827-0441 ext. 210. Also, when you fill out the application, make sure you list your address not the Salina Housing Authority office as your address.

The Salina Housing Authority office will be closed on **Monday, February 18, 2019** for Presidents' Day.

Did you know that there is a program available to you at the housing authority that can provide you with FREE savings account money based on increased EARNED income and guidance in setting goals and becoming self-sufficient? The program is called the Family Self-Sufficiency program. It is a voluntary program provided by Housing and Urban Development (HUD) and coordinated here at Salina Housing Authority. If you are interested or have any questions, please contact KaySue Nothern, Family Self-Sufficiency Coordinator at the Housing Authority. Phone #785-827-0441 Ext. 201.
